Subject Headings: Diabetes Educators, Licensing, Boards and Commissions

(1) Provide a brief summary of:

(a) What this administrative regulation does: The regulation establishes the requirements to apply for licensure.

(b) The necessity of this administrative regulation: This regulation is necessary because it establishes the requirements to apply for licensure.

(c) How this administrative regulation conforms to the content of the authorizing statutes: The Board is given the authority to establish regulations for the practice of diabetes educators.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation will establish the requirements to apply for licensure.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendment clarifies and streamlines the requirements for credentialing and more specifically includes the evidence required relating to successful completion of the Association of Diabetes Care and Education Specialists (“ADCES”) Core Concepts Course or an equivalent credentialing program, and updates the formatting of the MIR.

(b) The necessity of the amendment to this administrative regulation: This amendment is necessary to clarify the requirements for each licensure and permit type and the credential programs required, as well as correcting and updating the formatting of the MIR.

(c) How the amendment conforms to the content of the authorizing statutes: KRS 309.331 authorizes the board to promulgate administrative regulations to carry out and enforce KRS 309.325 to 309.339 and to issue licenses.

(d) How the amendment will assist in the effective administration of the statutes: The amendment assists in the effective administration of the statutes by clarify the requirements for each licensure and permit type and the credentialing programs required, as well as by updating the formatting of the MIR to include the applicable statutes and regulations.

(3) Does this administrative regulation or amendment implement legislation from the previous five years? No.

(4) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: There are currently 244 credential holders and two (2) inactive credential holders.

(5) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Applicants will be required to provide all the necessary information, evidence of successful completion, and fees for the credential with the application.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): The cost for application for each credential is set by 201 KAR 45:100.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (3): The applicants will have a clearer understanding of the requirements for applying for the credential.

(6) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: No new costs are anticipated.

(b) On a continuing basis: No new costs are anticipated.

(7) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation or this amendment: The board's operation is funded by the fees paid by licensees and applicants

(8) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: There is no increase in fees or funding anticipated by this amendment. This administrative regulation does not establish any fees directly or indirectly.

(9) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish fees directly or indirectly. Fees are established in another regulation.

(10) TIERING: Is tiering applied? Tiering was not applied because these requirements apply equally to all licensees.
