Subject Headings: Diabetes Educators, Licensing, Boards and Commissions

(1) Provide a brief summary of:

(a) What this administrative regulation does: The regulation establishes the requirements for board-approved courses in diabetes education.

(b) The necessity of this administrative regulation: This regulation is necessary because it establishes the requirements for board-approved courses in diabetes education.

(c) How this administrative regulation conforms to the content of the authorizing statutes: The board is given the authority to establish regulations for the practice of diabetes educators.

(d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation establishes the requirements for board approved courses in diabetes education.

(2) If this is an amendment to an existing administrative regulation, provide a brief summary of:

(a) How the amendment will change this existing administrative regulation: The amendment updates the material incorporated by reference for formatting.

(b) The necessity of the amendment to this administrative regulation: The amendment is necessary because the board is updating all materials incorporated by reference to include applicable statutes and regulations authorizing each material.

(c) How the amendment conforms to the content of the authorizing statutes: KRS 309.331 authorizes the board to promulgate administrative regulations to carry out and enforce KRS 309.325 to 309.339 and to issue licenses.

(d) How the amendment will assist in the effective administration of the statutes: The amendment assists the public by providing the updated revision date of the form for approval of continuing education courses.

(3) Does this administrative regulation or amendment implement legislation from the previous five years? No.

(4) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: There are currently 244 credential holders and two (2) inactive credential holders.

(5) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:

(a) List the actions that each of the regulated entities identified in question (4) will have to take to comply with this administrative regulation or amendment: Applicants for licensure will be required to take a course in diabetes education conforming to this regulation.

(b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (4): The fee for applying is established in a separate regulation.

(c) As a result of compliance, what benefits will accrue to the entities identified in question (4): Applicants for licensure will be able to take courses in diabetes education and apply for licensure.

(6) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:

(a) Initially: There is no anticipated cost.

(b) On a continuing basis: There is no anticipated cost.

(7) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation or this amendment: The board's operation is funded by the fees paid by licensees and apprentice diabetes educators

(8) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: This administrative regulation does not establish any fees directly or indirectly.

(9) State whether or not this administrative regulation establishes any fees or directly or indirectly increases any fees: This administrative regulation does not establish fees directly or indirectly. Fees are established in another regulation.

(10) TIERING: Is tiering applied? Tiering was not applied because these requirements apply equally to all licensees and permit holders.
